------------------	--

Note:

1. The commercial bid shall not be altered, modified, changed, or any additional conditions applied therein. Any changes to this format will lead to disqualification and all discretion on the same will be with IFTAS.
2. Bidder may be required to provide additional materials, bandwidth, Fiber channels, dedicated bandwidth capacity etc., as required in proposed solution, as per the unit rates mentioned in the bid. IFTAS is also within its rights to order in parts instead of the full service and in such cases, applicable payment as per unit rates shall be

calculated. Bidder is also required to supply additional hardware/ any other item as per the individual BOM mentioned in the commercials.

3. ROW/Municipal/any other Govt. charges shall be reimbursed at actuals upon submission of necessary and detailed proof/invoices.
4. It may be noted that the bidder shall mention all the technical details in technical BoM (in appropriate line items in Annexure VI) and relevant pricing in commercial bid format.
5. All the line items mentioned above is only for the purpose of arriving at TCO and IFTAS may order as per its requirement and payment shall be made at actuals.
6. IFTAS reserves the right to select any vendor as per its requirements, and the decision of IFTAS on this matter shall be final.
7. The commercial bids shall be password protected. Passwords to be shared by the bidder on rfp@iftas.in email ID strictly after an email intimation from the procurement team of IFTAS. Any violation to this process will lead to rejection of bid.
